

## GREETINGS YOUNG ONES!

This is your amazing teacher speaking. Remember? The one who dared forgetting about the ‘anglais renforcé’ last week. My deepest apologies about that, but fret not as I haven’t forgotten this time!

First of all, I hope each and everyone of you is well and safe in these peculiar times. For this week single hour of class, here is what we are going to do:

(Faire les activités directement dans le cahier d’anglais renforcé)

### **SEQUENCE: PARTY TIME!**

**Step 1:** practice your reading comprehension

Read the following text and write a few lines to tell what Stacy’s problems are.

- *I don’t have many fiends!* -

“Dear Ann,

*I’m 13 and I’m very shy. I don’t have many friends. I’d like to be more sociable. I often stay at home and I never go to parties. I’d like to be more fashionable, but I don’t have much money to buy trendy clothes and make up. What should I do to become popular?*

Stacy.”

### **Vocabulary:**

- 1) *Shy*: timide
- 2) *Often*: souvent
- 3) *Trendy*: branché(e), tendance
- 4) *Make up*: maquillage
- 5) *Popular*: populaire, célèbre

**NB:** Try to use the dictionary as less as possible for your first reading.

**For the first hour of work, take your time to read the text carefully and understand it well before doing the task (stacy's problems)**

**Stay safe, keep learning. I hope to see you all soon and well**

**Bye.**
